

To Whom It May Concern:

I am happy to recommend Washington Media Services to the American Legion of Washington. AGC of Washington's Legislative Office has been working with WMS for the past 17 years. WMS has developed brochures, informational cards and more, which we have used to communicate with AGC members, public officials and the general public. Their design, production and customer service have been of top quality. Their work with printers has always met our timelines and quality expectations. Their attention to our needs has been appreciated. Joyce Wilms, President and owner of WMS, Adriane Wolfe, Creative Director and their design team are not only professional, attentive and easy to work with, but also timely and exceptionally creative.

We expect to continue to use WMS for our Governmental Affairs support pieces, and I firmly recommend that the American Legion of Washington take advantage of their professional services.

Sincerely,

Rick Slunaker
Director of Government Affairs
