

We Are Affordable Housing

I am pleased to recommend Washington Media Services to the American Legion of Washington. For over 21 years, I have worked directly with Joyce Willms, President and owner of Washington Media Services (WMS), Adriane Wolfe, Creative Director and their design team on the design and maintenance of our website, form development and printing, numerous print collateral pieces for the MHCW association and a quarterly association newsletter. WMS edits the articles, designs the newsletter, prepares it for print, coordinates the print schedule with the printer (one year in advance), and handles the mailing and delivery of the publication. WMS has also done a great job selling advertising to keep the production costs down on the newsletter. They help with our legislative reception every year and assist in coordinating meetings with key legislators and Thurston County elected officials. WMS's services and creativity are well refined and we have been very satisfied with the wide range of projects they have completed for us.

The WMS team has always been extremely reliable and they continue to work as efficiently as possible to stay within our association's budget. It gives me great pleasure to recommend them, and I know you will appreciate all they have to offer the American Legion of Washington.

Sincerely,

Theresa Janzen
MHCW Secretary
