PRINTING

To Whom It May Concern:

We are pleased to provide this letter of reference for Washington Media Services, Inc. (WMS). Our relationship with WMS spans a twenty-plus year period. During that time we have appreciated their knowledgeable and thoughtful approach to design with an emphasis on the coordination between graphic design and printing. Their staff of designers has consistently impressed us with their astute understanding of the evolution of design to print.

Many of the projects we have produced for WMS have been billed directly to WMS; their payment track record is stellar.

Should you require any further information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads 'Ruth Walton'. The signature is fluid and cursive, with the first name 'Ruth' being more prominent than the last name 'Walton'.
