To Whom It May Concern:

I am pleased to recommend Washington Media Services to the American Legion of Washington. Washington Media Services has been doing work for WACOPS since 2006, I have worked directly with Joyce Willms, President and owner of Washington Media Services, Adriane Wolfe, Creative Director and their design team on the development and maintenance of our website, design, editing, printing and mailing of our quarterly magazine. WMS takes great pride in the quality of services they offer, and we have been delighted with the results of their creative expertise in our projects.

Since our partnership began, WMS has adhered to our production schedule to deliver consistent quality products, under budget. Without hesitation, I recommend WMS to the American Legion of Washington for any and all design, printing and mailing services they require.

Sincerely,

A handwritten signature in black ink that reads "Jamie Daniels".
